Friday nights, Saturday mornings & Sunday mornings.

EMTCC PHILOSOPHY ABOUT JUNIOR CRICKET

The overarching philosophy for our junior cricket program is **participation, skill development, club involvement** and **pathway recognition**

U/11's: Are you ready for U/11? Can you **bowl with a straight arm**? Can you **hit a hard ball** on the bounce?

Can you **catch a hard ball**? If no, then **Master Blasters** is the best fit for you.

U/11's is about players learning and developing cricketing skills in a nurturing environment.

U/11 – U/13: All players will bat, bowl and field during games. Coaches rotate the batting and bowling order each game.

EMTCC **expects parents to take an active role** in team activities.

U/15 – U/17: A higher level Junior Cricket Program. Please refer to the [EMTCC Junior Participation Policy](#) for more details.
